

2015 National Water Polo League

Come along and support your Victorian team!

The Victorian Seals National League Water Polo Club is Victoria's sole franchise in the National Water Polo League, Australia's premier domestic water polo competition.

The club is coming off a successful 2014 campaign which saw a silver medal for the men's team, a number of our players recognized by Water Polo Australia for their fantastic performances, as well as being crowned Australian Club of the Year.

Both our men's and women's teams feature some of the world's best players including Rowie Webster, Blake Edwards and Matt Gronow. The teams also include rising stars Madeline Steere and Lachlan Edwards who are rapidly becoming national household names. The teams are looking forward to entertaining our supporters this season by lighting up the Melbourne Sports and Aquatic Centre, PARC Frankston and WAVES Wodonga.

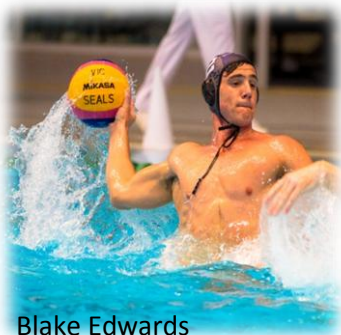

We are calling on all schools, clubs and water polo fans to get behind the Seals teams this season. With plenty of action before, during and after matches it will be worth getting to the pool early on game day.

Follow the Seals all season on social media! Keep up to date with the Victorian Seals latest events on Facebook ([The Victorian Seals](#)), don't miss any breaking news or updates with us on Twitter ([@VicSeals](#)), and get behind the scenes photos on Instagram ([vicseals](#)).
