Winter Competition – MSL4 GRAND FINAL

What time is it???? It's GRAND FINAL time!!!!!! The Essendon SL4 men went into the Grand Final match against our arch rivals – DVE. The first half of the match was a struggle for both teams with few scoring opportunities – 3 all at half time. Then the Essendon boys made a mess of the game and forgot that water polo is both a game of attack and defence. And defending is very important when you can't score goals. Our 3rd quarter effort made coach Steere's face go red and he spat when he directed (yelled at) us!!!! We picked up our effort in the last quarter but the game was done..... It's now the 2nd time in a row we have lost to that bloody team in the Grand Final!
